WELL-BEING IN CHRONIC LYME
DISEASE (CLD)!

DO YOU LIVE WITH CLD?

ARE YOU 18 YEARS OR OLDER?

FOLLOW THE SURVEY LINK BELOW FOR MORE INFORMATION

The Pain Lab at Queen's University invites you to participate in a short (~20 min) survey study* to better understand the physical and mental aspects of living with Chronic Lyme Disease (CLD). This research will help us design future support programs to help improve the well-being of people living with CLD.
