

CANADIAN LYME DISEASE
RESEARCH NETWORK

Primary Healthcare Practitioners Needed...

*Pillar 4 is currently looking for primary healthcare practitioners to participate in a confidential study focused on better understanding the perspectives, experiences, beliefs, and knowledge of health practitioners regarding Lyme disease (LD) in Canada. If interested in this study, participants will be invited to a 30-45-minute interview focused on their experiences, perspectives, and knowledge of diagnosing and treating individuals with LD. Participants will also receive a \$100 participant stipend for their time. If you are interested in this study, or would like to know more, please email **Madison Robertson** (12mar9@queensu.ca).*
